Committee will follow specifically.

SENATOR CAVANAUGH: You have scheduled a meeting for tomorrow?

SENATOR WARNER: Not as to time because we do not know at this point the meaning of this is. The information that the Attorney General's office is developing should be available for us by 10 O'clock and then my instructions from my Committee is a meeting is on the call of the chairman subject to what is convenient because of the meeting of the Legislature as a whole.

SENATOR CAVANAUGH: Do I understand, then, that you have retained the Attorney General's services to represent the Committee.'

SENATOR WARNER: The motion was to contact the Attorney General which we have done--the incoming Attorney General as to legal counsel for the Committee and he has two members of his committee or his staff who at this point, at least, will be serving. Now that will be the report made back to the Committee and the Committee, of course, will have to adopt that as the procedure they wish to follow.

PRESIDENT: Further inquiries, Senator Cavanaugh?

SENATOR CAVANAUGH: Fine, thank you.

PRESIDENT: Alright.

CLERK: Legislative bills read. LB 117  
LB 121  
LB 122

Mr. President, a series of announcements. Announcements read. That's all I have Mr. President. I have a motion to recess to 1:30.

PRESIDENT: Stand by. 1:30.

SENATOR SYAS: Then how--I was just going to say, how can these committees meet after the recess. Some of them said they would meet at 1:45, the various committees, and yet we're--Ok, then I will make my motion that we will meet under the South balcony, the Constitutional Revision, at 1:45.

PRESIDENT: Very good. That North balcony was getting crowded.

SENATOR SYAS: Yes, I noticed. They are going to stand on each other. I'll have this all to my self.

PRESIDENT: That's good.

CLERK: Mr. President, Senator Rasmussen gives notice the Government committee will meet--

SENATOR RASMUSSEN: Under the South balcony. I don't know at what time\_\_

PRESIDENT: Thank you, Senator Rasmussen.

CLERK: At 1:30.

PRESIDENT: 1:30 under the South balcony. That conflicts with our recess time. We are recessed to 1:30. That's all right. Senator Murphy, to what purpose to you rise?
